CRA Visual Foldback Kit

The CRA Visual Foldback Kit has been designed to provide a useful addition to any Visual system using proprietary TFT screens and mounting hardware.

It is a valuable aid to musicians, worship leaders and preachers alike.

With a choice of 15" or 17" High Quality TFT's mounted to a 1m pole in a secure heavy duty base it represents a robust and useful addition to your system.

Free your singers from the need to use music stands; save your preacher from neck ache by constantly turning round to check the screen.
